INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Mary Poindexter being first duly sworn deposes and says:

I live near East Bend, and am 78 years of age. I was born in Surry County, and came from Surry to this county, and have lived here all of my life. My father was Solomon Sawyer, and my mother was an Indian. I claim my Indian blood through both my father and mother. My father was born in Caswell County, N.C. and raised there. He was always free. My father has been dead about 26 years, and was 80 odd years when he died. He always lived there until he moved here. He got his Indian blood through his father and mother. I have heard him tell us often about his Indian blood. I do not remember where he said his Indian people came from. I do not know whether any Indians lived in Caswell County or not. I heard him say they were Cherokee Indians, but I do not know what country they came from. I have never been enrolled as an Indian, and have never heard of my father being enrolled as an Indian. I never received any money from the Government as an Indian, nor did my father ever receive any. My mother was born and raised in Forsythe County. She was an Indian before marriage. I do not know where her people came from. They started to Indiana, and just got out here on the way here. I never heard of what tribe of Indian she belonged to. I have heard my father speak of being an Indian ever since I was a little child. I do not recollect when I first heard him say what kind of Indian he was, but I have heard him say that he was a Cherokee. We have passed as colored where we have lived. They called us old time colored Indians. My husband is Joseph Sawyer, who is here in this room, is my full brother. (14154) I do not know of anyone here who could tell any more about our Indian blood. My husband's people, the Poindexters, were always a free colored people, but, before that time, none of my people were slaves.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Western Warstees, please state why your parents were not enrolled in 1851? Why were your grandparents never enrolled? Why have you never been enrolled? Do you claim the right to participate in this fund through any other source than your father, Alexander Teeles, and your grandfather, Elijah Teeles? Please state clearly our reasons for thinking that you are ineligible for enrollment.

Your early reply will be appreciated.

My mother was a colored woman, and was a slave. My father, also was a slave. I never heard my father say what kind of Indian he was. He just said he was kin to the Indians. I never heard where my father came from. He said that his father always told him that he was kin to the Indians. My father was never enrolled as an Indian that I know of, and I have never heard of his getting any money as an Indian. I have never been enrolled or received any money as an Indian.

Malinda J. Robinson.

#14328.

Malinda J. Robinson being first duly sworn deposes and says:

My name is Malinda J. Robinson and I live at Antelope, Tex. I am 44 years old. I claim my Indian blood through my father, Henry T. Dunaway. He lives in Collinsville, Tex. I was born in Tex. And my father, who is 66 years old was born in Newton County, Mo. He tried to get land 20 years ago on account of his Indian blood but did not succeed, and lost heart, and that is the reason that he did not apply to participate in this fund. He thought there would be more expense about it than profit. My father claimed to be 1/8 Cherokee. He got this Indian blood through his father, Benjamin Dunaway. My grandfather was born in N.C. (I do not know in just what part). Grandfather made two or three trips to Mo. before he became settled in that state. Father had a sister older than he was, she was about 8 years older than my father, and she was born in Mo. An older brother, about 15 years older, was born in N.C. I was always ~~xxx~~ taught by my father that ~~xx~~ I was Indian, though my mother was always a little ashamed of the fact. I never heard that my grandfather ever got any money from the Government on account of his Indian blood, nor the reason that he did not. I have never heard of any enrollment in 1851. About 20 years ago we applied for land and money through the Patts association, and were informed that we could get the land, if we would relinquish our claim for the money. We would not agree to this, because we thought that we were entitled to all, and the result is that we got nothing. My grandfather Dunaway, died in the Indian Territory when I was a child. My nine living brother's and sister's did not apply for this fund for the same reason that my father let the matter slip by. Father has always claimed that grandfather Dunaway lived and associated with the Indians in his lifetime.

Sir:-

Your letter of June 27, 1907, relative to when the Eastern Cherokee Fund will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

A supplemental application blank is inclosed herewith, and if you have any minor children you should fill out the application and return to this office.

Very respectfully,

Special Commissioner.

she should have been years ago
an attorney, Chester Hume
Washington D.C. who represents
our interests has never informed
me whether or not any of us

which will prove our claim
as descendants of the eastern

pronounced us Cherokees at
Lynchburg July 27.

The land on which we lived in
the Territory is now as I can
remember - sold at some public
sale about 20 years ago.
The title then held in the Terri-

Dear Sir

I noticed in the paper a short time back that Chester Howe of Washington D. C. died at Muskogee Okla. - This being the case - do you know who is able to take up the Indian claim of the Cherokees that passed the court of claims and was reported on as being Indians by people and entitled to their rights here - but have been denied. that he had in charge, and has been looking forward to having their claims adjusted at Washington D. C. There is some money on this business for some one of them.

possible the work properly - besides
doing a just act to this class of
people. The court of the United
States has pronounced us Cherokee
by Blood - Still they do not see fit
to enroll us - what are they going
to do? Dump us out - and leave
us out - and say well done - it
is a poor man that went right
a wrong when he knows there is
a wrong - and it will apply to
a government - the same - I un-
derstand Mr. Howe did help you
some in the eastern Cherokee -
Crime - matter - of making up the
Roll that this removal money is
to be paid - when is this payment
able to take place? I am

Yours truly

H. H. Henry

To Hon Commr Court of Claims:

In answer to the first question, I answer that there was no enrolling office in Tock Co Tenn in 1851 so far as I know.

In ans to the second question I state,

My Grandfather name was Garon M^c Daniel

My Grandmother name was Sarah M^c Daniel

I cannot say positively whether or not either of them were ever enrolled, but as far as I can learn they were enrolled.

I never was near any of the enrolling offices. My ancestors name on my Mother side was Moore.

In answer to the last question, I state, that from my childhood up I learned from listening to the conversation of my Grandmother and my Mother and Father that they were decedents of the Cherokes.

I have repeatedly heard them say so, while living in Tenn and in Georgia. These conversations were had in different places and at different times & in different houses.

I cannot reply to the last question, but it is probable there were some of my ancestors slaves. although I have never heard of them being so.

That I am 73 years of age and live in Gilmer Co., Ga. I claim through my father and his father. All of my other grandparents were white. My father was born in S. C., Pickens Co. about 1806. He left Pickens Co., S. C. and came to Rabun Co., Ga. ~~about a year before I was born.~~ I have heard that my father lived with the Indians as a member of the tribe but I am not sure about that. My father started to go with the Indians when they went west but his father went and got him and brought him back. He never lived with the Indians after he came to Ga. I nor my father nor grandfather were never on any rolls that I know of. My father claimed to be 1/4 Cherokee. Never heard of any of my ancestors receiving money from the government. I am recognized as white with Indian blood in the community. My husband is a white man.

No. 14385-14383.

John . Mattox, being first duly sworn, deposes

and says:

My name is John . Mattox and I reside at Infield, Ala. I was born in Coweta Co., Ga. in 1839. I claim relation-ship to the Cherokee Indians through my father, William Mattox, who was a half Cherokee Indian, and he claims through his father, John Mattox, who was three-fourths Cherokee Indian. My father was born in South Carolina, I can not state when, but he died about 1860 and was 37 years of age at that time. My grandfather, John Mattox, was also born in South Carolina, but I do not know when he was born. If they died in Coweta Co., Ga. and my grandfather also died in Coweta Co., Ga. My father often told me that I had Cherokee Indian blood in me. My father never lived with the Indians, but my grandfather did. My mother nor myself have ever received any money from the Government and I know of no enrollment of my people as Indians. My grandfather was named by the name of John Willie, I believe. I can not state whether or not they had any brothers or sisters. My father had three brothers, David, Jackson and Jack. My father had two sisters, but I can't remember their names. My father's brothers and sisters all lived in South Carolina.

June 17, 1907.

Alice Loveless,

Bear Creek,

Alabama.

Sir:-

Your letter of June 2, 1907, relative to your application for participation in the Eastern Cherokee Fund, is at hand.

You are advised that none of the applications have been taken up for final consideration as the Court of Claims in its order of April 23, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be duly notified.

Very respectfully,

NLC.

Special Commissioner.

Dear Sir:-

In reply to your inquiry of Feb. 3th., will say that I do not know why my parents were not enrolled in 1851. My grandfathers full name on my fathers side, was John William Mattox. (Macintosh). He died in 1848. , in Coweta Co. Ga. My grandmothers name was Nancy Agnew. I dont know why I was not enrolled, unless I was too young. I was born in 1849. I dont know whether any of my ancestors were slaves or not. My understanding has been that my grandfather lived with the tribe since 1800. I was taught by my parents and others that my grandfather was a three quarter eastern Cherokee Indian. They told me his Indian name was Macintosh.

Verry Respectfully,

John W. Mattox.

John Underwood,
Watterson, N. C.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, it is about when your father was born. Were there any grand parents on your father's side residing in 1765. Were there any grand parents on your mother's side and your father not enrolled with the Eastern Cherokees in 1851. Were you ever been enrolled. Are your parents or grandparents on either side slaves. If so, were they slaves of Indians or white people?

Are your parents or grandparents members of the same tribe of Cherokee nation? If so, state when.

Very respectfully,

Special Commissioner.

of the Cherokee Council as this the case
with the May Bill on the 1st of
the act of Congress said of me
I learned that we were descended from

settled 9 years ago from that nation
about 1890 probably 1890
years ago 1/8 Cherokee Indian

he is the oldest one of the Murrey

there is 30 or 35 others of Murrey's

that Mr Churchill turned us down

To The Secretary of Interior

Washington D.C.

Dear Sir I have been recently informed that the many
family has been recently rejected from the Roll
of Cherokee Indians I wanted to inform you of the
fact that we have made the Proof of Tim that
we were included we have showed by more than 20
Dozen of affidavits that we were descendants of the
Cherokee Indians by the Blood we have showed that
our ancestor Kagrah Vann was a Cherokee Indian
& that her husband Merlin B. Money ^{in Tenn.} lived in
the Cherokee Nation at the Treaty of ~~that Nation~~ & then
they removed to N.C. & lived among the Cherokee
Indians until the Treaty of 1846. Then they
came to Madison Co. N.C. purchased a small little farm
& there lived until their Death all of this proof we had
made & more we can show that we have been admitted into
The Council as members of that Body we can all so show that ^{we} have
voted in election of Principal Chief we can show that
we drew money as members of The eastern Band of Cherokee
Indians but still the Court takes the decision of Special Inspector
Mr. Churchill who only taken the testimony of those full

Blood Indians at Cherokee N.C. who dosent know
 any more about our descent than the men in the moon
 if the officials of the U.S. want to give ^{us} Justice why dont
 they send a man down here directly among us here
 in ^{the} counties Madison & Bannockburn Counties to investigate
 the identification of the Maney family here you can get
 the evidence of white men who is honest & truthfull
 & from 75 to 15 years who will testify that we are related
 to ^{the} Cherokees so the officials of this government dosent know
 the nature of those hard hearted Indians so when you know
 they are against any one that's got any white blood in him
 there is never no trick on us until there is money to be
 paid then the trick comes it dose not hard to many
 people to be deprived of our just rights

I want to state further in relation to the ancestors of the Maney
 family Martin B. Maney senior came from Ireland &
 joined the U.S. army in time of the revolution
 were when the war was over he came to Tenn. to the Cherokee
 Nation there he made love to Kaziak Vanna a 1/2 Cherokee
 Indian & Married - her this why we claim the Right
 John J. Maney a son of Martin B. Maney served in the
 war of 1812 & made a contract & was a Soldier & he for his
 service received land warrant which he cut in W. Tenn. by some
 unwise man he lost so we have been deprived all at once

I might here stop I have just written this short
message to whom it might concern how sadly
we have been deprived of our rights may be it
is because that our fore fathers was cruel &
stained the walls of liberty with their blood.
is this the cause of our unjust reward.

if you should think of giving us a show
please let me know.

In ans, to yours of the 11th
you say that the reason why
that my accounts were never
audited was because that
you did not know that it
would be necessary to ever pay
my ~~accounts~~

and was called for
some time. The first
of these bills being the first
board of the same
in the institution.

As a matter of fact
it was the report of the
Stewart bank to us that
it was found necessary

or both in the Territory, for
 us, but after inquiring more
 particularly she wrote that
 it was not for the Cherokees
 because it would not be
 worth while to put in a
 claim, that has been 10
 or 12 yrs. I think my
 father that it was the
 same land

My grand mother died -
 she was -

I base my claim on the
 fact that my grand
 father Anselm Grant whose
 maiden name was Hopper
 was 1/2 Indian.

In giving the reasons for
 my claim - that it is the

Cheerakes I will say that
 that has been handed down
 from one generation to another
 This is the present day that
 it was the Cheerokees to which
 I refer

I believe it to be the Cheerokees
 on the strength of what I
 have heard old Joe say and
 he is one of the best men
 before they left that State

(I would like refer you to
 the authorities of Messrs.
 Thomas & Co. (an
 occasional party Atty.)

Also for the reasons
 given that my grand
 father (Didam's mother) was

maiden name was [unclear])
was about to enter some
sort of claim but desisted
on the ground that it would
do no good as that allotment
appropriation or whatever
it was, was not intended
for the descendants of the
Cherokees but for (I
think the Choctaws)

None of my ancestors
were ever Slaves, Ancestral
Father was a
white man and his mother
was an Indian

Church our Capeland is
 still living but very old
 I wrote to my Att. that
 Marthy Hankins should
 make a good witness as
 she remembered the same
 as well as of Mrs. Trent
 I expect he had the letter on
 but she had since
 died. I just mention
 in fact for the purpose
 of showing that the help
 she gave was not very
 very few and are rapidly
 gone so that it is
 difficult to get positive
 proof although it has
 always been an accepted
 fact by every body in

the neighborhood where
they lived,

Now in closing I want to say
that as we are descendants
of the Cherokee and as we
have never received any
benefits in any form and
as there is now a fund
I don't see we feel that
it is justly published as
it is.

Hoping that the court
will take the same view
of this matter as I do I

Genie Roman

It has been told all the way down the line, that they had Cherokee-blood in them-Mrs Genie Boman, is the daughter of Palestine Todd, who was the daughter of Diadane Morris, who was the daughter of Annie Trout, whose maiden name was Hopper, and Wes Copeland, 76 years old says, he got acquainted with the Trout family about the years of 1842-3, and their children were regarded by every body that saw them as 1/4 Indian.

T.B. Thomas, says that he is also from near Calhoun Georgia, and knows something of the Trout family, and knows that Copeland, was intimately acquainted with them, as one of Wes' Brethren was with Morris when he married Diadane Trout.

Mertie Lawless, as well as those above mentioned, and Annie Hopper, -Trout, shewed the Indian-blood in her looks, black hair and eyes, dark skin, and very swarthy complexion, the claim is, that she was a 1/2breed Indian.

Madam:

In the matter of your application for participation in the Eastern Cherokee fund, I note that you have stated in your affidavit made in support of your exception that your great grand-father's name was Ash Hopper. Will you please inform me who it was that first told you that your great grand-father's name was Ash Hopper? You did not mention it in your original application and I assume that you have obtained this information recently and I would be glad to know from whom you obtained this information so that I could look into the matter further. It is further stated in your own affidavit that your great grand-father was enrolled in Gordon Co., Ga. in 1835 and was a member of the Cherokee tribe at that time. Will you please tell me who furnished you with this information also? When did you first learn that your great grand-father lived at this place, and from whom did you learn it? You will find enclosed an envelope for your reply which will not require a stamp. Please give this matter your immediate attention and answer fully in your own hand-writing as I notice from your affidavit that you can write plainly.

Very respectfully,

Special Commissioner.

Dear Sir - In reply to your letter I will
say that I know nothing of the marriage
of 1851. Charles Raven had left his home
before that date and has come to the
Eastern part of this State. He was a
great hunter and seldom remained
in one place long at a time. He
was generally called the Cherokee Indian
and there are several people living
here who know that he was a genuine
Indian and always claimed to be a
Cherokee. He was my grand father on the
paternal side and a Negro woman by the
name of Nellie Smith was his wife and
she was my maternal grand mother.
My mother was then only a child. This
is all I know about it.

S. B. Spruill

William A. Cole, after being first duly sworn,
deposes and says:

I am 39 years of age; was born in Folk County, Tenn. I claim Cherokee Indian blood through my mother. She never received any Indian money from the government. In 1851 my mother lived in Arkansas. She went there when she was about eleven years of age. I never saw my grandparents. My mother's father was named All on Guinn and I claim my Indian blood through him. He went West before the war. Some eight or ten years before my mother said. None of my mother's sisters received some Indian money. She received it in the Territory. It was either land or money. She has been in the Territory about 15 years. I think my grandfather was dead in 1852. My mother first told me of my Indian blood. She said we had Cherokee blood in us.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state about what your father was born. Were there your grandparents on your mother's side residing in 1770? Were they enrolled with the Eastern Cherokees in 1811? If not, state the reason why. Were your parents or grandparents on either side slaves? If so, state whether slaves of Indians or white people.

Can you furnish us with evidence tending to establish the fact that you are a descendant of persons who were recognized members of the Eastern Cherokee tribe of Indians at the date of the Treaty of 1845-46 and 1861? If so, please state what the evidence is, and send us the names and correct addresses of any witnesses who will testify to that effect.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to participate in this fund through any other source than Mary A. Bohannon and Sarah Keith? Why were your parents never enrolled as Eastern Cherokees? Why were your grandparents never enrolled? Why have you never been enrolled? Were any of your ancestors slaves?

State clearly your reasons for thinking that you are descended from Cherokees.

An early reply will be appreciated.

Very respectfully,

Quinn Miller,

Special Commissioner.
